Linedata awarded Best Compliance Solution at 2020 Fund Technology & WSL Awards

Linedata Compliance recognized for product innovation, regulatory expertise and customer experience

Paris, New York, Boston, London and Hong Kong, 26th February 2020 – Linedata (Euronext Paris: LIN) has claimed the title of “Best Compliance Solution” at this year’s Fund Intelligence Technology and WSL Awards in New York.

This award acknowledges Linedata Compliance’s outstanding performance as a pre- and post-trade portfolio compliance solution for global institutional traders and asset managers facing down headwinds from fee pressures and increasing operational and regulatory demands.

Linedata Compliance stood out from the competition for its robustness and adaptability, backed by Linedata’s exceptional client support. The solution streamlines workflows enabling clients to quickly on-board new funds and mandates. It is highly scalable for efficient monitoring and breach management, screening thousands of funds daily for more than 70 clients in 25 separate jurisdictions.

Gary Brackenridge, Global Head of Asset Management at Linedata, commented: “We appreciate being recognized for our commitment to delivering the software, data analytics and services that help solve our clients’ most challenging compliance requirements. Clients tell us what sets Linedata apart is this combination of expertise and interoperable portfolio compliance technology, easily integrated with vital data and systems, that positions our clients’ and their clients for growth and success.”

The Fund Intelligence Tech & WSL Awards 2020 recognize stand-out providers to asset managers and institutional traders that have demonstrated exceptional customer service and innovative product development over the past 12 months. Award winners are judged by an independent panel of experts drawn from industry consultants and asset managers. See the full list of winners [here](#).
