

Linedata Ekip360

A full-lifecycle auto finance management solution.

Linedata Ekip360 is a front-to-back end solution that supports the full lifecycle of automotive finance operations. Designed for financial institutions, dealerships, and captives, Ekip360 is a strength you and your customers can depend on.

*Bring **speed**, **scale** and **ease** to your auto finance business with **Linedata***

What Can Ekip360 Do For You?

Enable Growth and Scalability

Our multilingual, multi-currency solution can support over 40 million contracts, allowing you to grow your auto finance business, beyond your expectations.

Optimize Processes with Agile Feature Functionality

With specialization in risk management, workflow automation, and accessible real-time data, our feature-rich modular solution will streamline processes so your team can maximize efficiency and focus on strategic priorities.

Offer a Customized Experience to the Ones That Matter Most

API-integrations, our dedicated implementation experts, and configurable modules along every step of the way result in a fully-customizable, seamless digital experience for the ones that matter most: your customers.

Impactful Tools for Increased Profitability

Full-lifecycle contract management combined with AI-powered tools relating to risk management and auto-decisioning empower your company to deploy capital more efficiently and effectively.

Oversee the Transactional Lifecycle From Origination to Servicing

Origination

- Manage acquisition lifecycle with our point-of-sale tool, whether you are a broker, dealer, or vendor.
- Leverage Ekip360's native pricing engine to reduce time and human error.

Underwriting

- Streamline your approvals with an integrated decision-making engine.

Servicing

- Ekip360's powerful workflow improves portfolio management.
- Manage the entire lifecycle from origination to contract completion.

Take Ekip360 Mobile with Mobil'Ekip

Create pricing proposals, track payments, and monitor account activity in real-time from a compatible tablet or mobile device.

A word from one of our clients

"More than 300 contracts requesting 2-month deferrals were processed in 10 minutes, whereas manual processing would have taken several days."

Dominique Pinte, CIO

Bail Actea, a subsidiary of Credit Mutuel Nord Europe on Linedata Ekip360's batch modifications

Five Reasons to Choose Linedata Ekip360

1. Ekip360 is a flexible solution that allows you to adapt to a changing auto finance landscape, growing with your business.
2. Seamlessly manage full lifecycle relationships from customer acquisition to servicing.
3. Create your ideal credit ecosystem with a multitude of available API's.
4. Manage up to 40 million contracts.
5. At Linedata we license, implement, and support our solutions.

Linedata is here for you every step of the way

"Technology alone doesn't make us more intelligent. Technology aligned with human expertise is the future of successful collaboration"

At Linedata we believe in using technology to enhance your business and empower your people.
