

Linedata Victim of a Cybersecurity Incident on One of Its Businesses

Neuilly-sur-Seine, 14 August 2025 – Linedata (Euronext Paris: LIN), the global solutions and outsourcing services provider to the investment management and credit finance industries, announces that it was the victim of a cybersecurity incident on August 11, 2025.

The ongoing in-depth investigation, conducted with the support of a specialized cybersecurity firm and aimed at determining the nature and exact scope of the incident, has revealed the malicious encryption of data hosted on a domain belonging to the Asset Management business line. Other hosting domains and other business lines are not affected.

The company immediately implemented measures to contain the threat, protect data, and inform its customers. It is actively working to restore its systems fully and is entirely committed to resuming operations within the timeframe required to restore services securely.

The group has also notified law enforcement in relevant jurisdictions.

“We regret this incident and sincerely thank our customers for their understanding and support. We are taking the necessary measures and mobilizing all our resources to mitigate the impact of this incident on their businesses”, states Anvaraly Jiva, founder and CEO of Linedata.
